BOARD MEETING

BOARD MEMBERS MEET THE FIRST THURSDAY OF THE MONTH / 6:00 – 8:00 PM. / GRAND FORKS PARK DISTRICT / 1210 7TH AVE S, GF

NEXT MEETING → April 6th

- **We have a couple of Board positions that are in need of replacement.** Please contact one of the Board members as soon as possible if you are interested – It’s a great opportunity to share your knowledge with others and to help build a SAFER community and work environment.
- Kirk Douglas and Al Maloney have graciously offered to work on our brochure and thank you cards.
- 2006 Membership certificates have been mailed out – Please check to be sure you have received yours! If not, please contact Steve Harken.
- **“Batteries Not Included: The Energized Approach for Achieving a Safe, Healthy and Productive Workplace”** This is the title of NOSHA’s Fall 2006 Seminar. Michael Melnik, MS, OTR will give this dynamic presentation – An instrumental presentation to help companies create an environment where employees are motivated, receptive, and involved. Our half-day seminar will take place Thursday, September 21st from 8:30 am - 12:30 pm. We will bring you up-to-date as we work our way through the planning process. We invite everyone to go to www.preventionplusinc.com/presentations.asp and click on “Batteries Not Included” to view a video excerpt of the presentation.....CHECK IT OUT!

BOARD MEMBERS

(Upcoming GM Meeting Presentations)

- **April 19, 2006**
– **“Compressed Gas Cylinders”** (Todd Trebon, Airgas)

Membership Committee

(Davis Hoverson, Mike Lorenson)

- The new compression rate on all patients (adult, child and infant), for one rescuer CPR, is now 30 compressions and two breaths.
- All current AED units in service will need to be reprogrammed.
- Those currently certified under the previous CPR standards will not have to take a new course until their current CPR card expires.
