

### **Mission Statement**

The mission of the Northern Occupational Safety and Health Association (NOSHA) is to provide professional networking, and training opportunities in safety, health, and environmental practices.

### **What is NOSHA?**

NOSHA is a nonprofit organization formed in 2001 to provide area safety professionals a direct way of sharing safety concerns, goals, and ways to promote workplace safety.

As a member of NOSHA, you will be joining other area safety professionals, who like you are dedicated to their profession, and who have a genuine interest in workplace safety.

### **Membership**

Annual membership includes reserved seating for one lunch at the monthly general meetings, a monthly newsletter, and a certificate of membership.

Membership is open to firms and individuals serving in a safety management function as a professional or practitioner. Guests and prospective members are welcome to attend at any time.

### **Membership Dues**

Current membership dues are listed on our web site at [www.nosha.net](http://www.nosha.net). The membership year begins in January. Membership dues are prorated for new members joining after the first of the year.

### **Membership Meetings**

Membership meetings generally include a guest speaker. Various safety topics are presented throughout the year. Meetings may also center on round-table discussions, demonstrations, or tours.

NOSHA meetings are held the third Wednesday of each month from 11:30 AM to 1:00 PM, at the Golden Corral Restaurant, 3251 32nd Ave S., Grand Forks, North Dakota. Check-in and guest meal payments are handled in the meeting room located at the back of the restaurant.

### **Membership Benefits**

Membership in NOSHA offers you a number of benefits, which include the following:

- Networking with safety professionals like yourself
- Monthly presentations on relevant safety topics
- Monthly Safety Newsletter
- Sponsorship of an Annual Safety Seminar offered as a public service to the safety community
- E-mail announcement and event reminder service
- Informational Web site: contact information, seminar registration, job announcements, safety links, and more
- NOSHA offers leadership development opportunities as a Member of the Board, Presenter, or Committee Chairperson
