

# MEMBER TESTIMONIALS

Getting involved in NOSHA & attending monthly meetings has given Opp Construction the tools to develop and implement some great new ideas throughout our organization. We have also met contacts who we can now go to for help if we ever need an expert in any area. We strive for continuous improvement in safety, and NOSHA has been a great local organization to help us reach that goal.

*- Dave Opp, Chief Safety Director – Opp Construction*

I enjoy the available resources through NOSHA. The other members are very knowledgeable and good resources for my safety questions. The monthly speakers have been informative and applicable to my job.

*- Sarah Gratton, Safety Officer – Britton Transport*

NOSHA is a great resource to have questions answered and network with other safety and health professionals throughout the area. I especially like the discussion topics. They are both timely and very informative and make me better able to perform my day to day functions as a safety director. I only wish I was better able to participate consistently! I would also add that the annual conference is very valuable in terms of the topics covered, and the opportunities to seek out speakers for our own in-company events. Kudos to NOSHA for what you do on a regular basis.

*- Chad Lemay, Safety Director – Construction Engineers*

### Northern Occupational Safety & Health Association

# MISSION STATEMENT

The mission of the Northern Occupational Safety & Health Association (NOSHA) is to provide professional networking, and training opportunities in safety, health, and environmental practices.

## MEMBERSHIP

Membership is open to firms and individuals serving in a safety management function as a professional or practitioner. Guests and prospective members are welcome to attend at any time.

### BENEFITS

Monthly presentations on relevant safety topics.

Monthly Safety Newsletter

Sponsorship of an Annual Safety Seminar offered as a public service to the safety community

E-mail announcement and event reminder service

Informational website: contact information, seminar registration, job announcements, safety links, and more

NOSHA offers leadership development opportunities as a Member of the Board, Presenter, or Committee Chairperson

# WHAT IS NOSHA?

NOSHA is a nonprofit organization formed in 2001 to provide area safety professionals a direct way of sharing safety concerns, goals, and ways to promote workplace safety.

As a member of NOSHA, you will be joining other area safety professionals, who like you are dedicated to their profession, and who have a genuine interest in workplace safety.

## MEMBERSHIP DUES

Current membership dues are listed on our website at [nosha.net](http://nosha.net). The membership year begins in January. Membership dues are prorated for new members joining after the first of the year.

## MEMBERSHIP MEETINGS

Membership Meetings generally include a guest speaker. Various safety topics are presented throughout the year. Meetings may also center on round-table discussions, demonstrations, or tours.

NOSHA meetings are held the third Wednesday of each month from 11:30 AM - 1 PM, at the VFW in East Grand Forks. Check in and guest meal payments are handled in the meeting room.
